**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is vitally important to allow broadband competition! It is a vital part of America and you should not allow large companies to take over everything! I feel that it is your duty to represent the American people not just a few corporations! Please don't allow your organization to be bought by these companies. Sonic is an amazing company and should not be blocked from continuing the expansion of their company!
